ST. LOUIS, May 22.—St. Louis broke even on the four-game series with New York by shutting out the visitors, 7 to 0, today. Stone's excellent work in the box was backed up by clever fielding. Twice it seemed that New York must score. With one out in the fifth inning, a man on first, Stone hit two batsmen, filling the bases. Hartzell's easy grounder forced McKechnie at the plate, and Shotton captured Cree's long fly to center by a circus catch. In the ninth, with two out, Wolter doubled and two passes filled the bases, but Sweeney popped to Pratt.

WORLD'S CHAMPS

CHICAGO, May 22.—Russell proved too much for the world's champions today, and Chicago won the final game of the series, 2 to 1. Fing Bodie, who replaced Mattick was responsible for the locals runs, Fournier having been safe on a force out of Collins, and scored on Bodie's single in one inning, and then scored in another inning on his own double and Eodie's single.

Russell pitched fine ball in pinches, but in the ninth inning he weakened and the visitors prevented a snutout when a double and single netted one run.

It rained intermittently from the second inning.

held in the state. The number of entries in this year's meet to slightly smaller than those of the past three years because of the adoption this year of more stringent rules, which require that all athletes conform to a minimum standard in the events in which they are entered before their entrance will be accepted by the university authorities.

This makes a smaller decrease in the number of entries, however, than might be expected, because there are more schools to be represented.

Besides the schools of Utah, invitations were sent to six western Colorado schools, ten Idaho schools and one Wyoming school. Up to last night the outside schools to submit entries were the Boise. Rupert and Rigby, Idaho, teams, These schools are all strong, according to the reports from the Idaho state meet and it is not improbable that the Boise team will make an excellent showing.

Many are inclined to think that after the college meets are over that athletics are over for the season also, because there are no real athletes in the high school class. This is far from true. The fastest sprinter in the state is Haymond of Springville, Hartman, a teammate of Haymond, runs him very closely. At Payson there is a boy lamned Simmons who took more than thirty points for his team in the Utah county division meet. He is a weight man as well as a sprinter and his performance will be well worth watching. Then, too, probably the best hurder in the state is Gunn of Murdock accademy. Gunn beat Hopkins last year and Hopkins has been the best man in the event among the colleges this spring.

In the Idaho state meet a lad named Nourse took twenty points. He is a weight man and a jumper and has some good records.

SAN FRANCISCO, May 22.—That Wijlie Ritchie will fight in San Francisco on the Fourth of July was almost made certain by a telegram from the lightwelght champion's manager, Billy Nolan, received today by Promoter Eddie Grancy of the Tuxedo club.

Graney also heard from Tom McCarey of Los Angeles, but the Southern promoter evidently intends to continue his hold on Joe Rivers until his last chance of getting Ritchie to fight him in the south is gone. Graney boasts of the positive assurance from Rivers and his manager, Joe Levy, that they will meet Ritchie on the Fourth of July whether in the south of in this city.

In the meantime, Graney is going ahead making arrangements for the holding of the titular contest. He will build an open-air arena if necessary, but the stee has not been made known. Although he is anxious for a Ritchie-Rivers fight, Graney has Wolgast and a dozen other lightweights in sight whom he thinks will make strong opponents for sight, Graney has Wolgast and a dozen other lightweights in sight whom he thinks will make strong opponents for the local champion.
